

Electric generator symbols [↩](#)

1/3

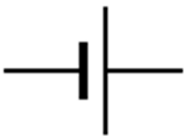

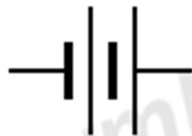

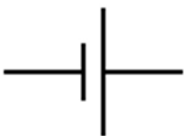

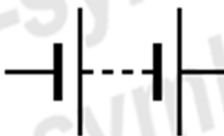

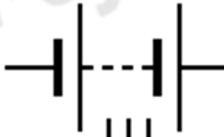

| Symbols | Description | Symbols | Description |
|---|---|--|---|
|  | Electric generator generic symbol |  | Sinusoidal generator AC, alternating current generic symbol |
|  | Electric generator AC generator low frequency |  | AC generator nonrotating |
|  | AC generator middle frequencies |  | Electric dynamo DC generator direct current |
|  | AC generator high frequencies |  | DC generator |
|  | Power AC |  | Not rotating generator generic symbol |
|  | Ideal current generator |  | Pulse generator |
|  | Ideal voltage generator |  | Triangular wave generator |
|  | Generator voltage |  | Magneto hand generator |

Electric generator symbols [↩](#)

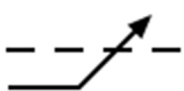

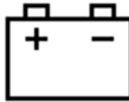

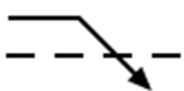

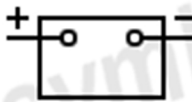

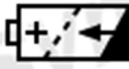

| Symbols | Description | Symbols | Description |
|--|---|--|------------------------------|
|  | Controlled voltage generator |  | Controlled current generator |
|  | Can do the functions of engine or generator |  | Resonance generator |
|  | Photovoltaic cell |  | Photovoltaic generator |
|  | DC generator compound excitation with short | | |

Symbols of batteries

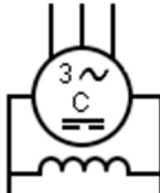

| | | | |
|---|---------------------------------------|--|---|
|  | Electric battery generic symbol |  | Battery pack |
|  | Battery |  | Connected batteries |
|  | Electric cell with voltage adjustable |  | Multi-battery adjustable in three steps |

More information about these and other symbols www.electronic-symbols.com

Electric generator symbols [↩](#)

| Symbols | Description | Symbols | Description |
|---|-----------------------------|--|---|
|  | Multi-adjustable battery |  | Battery with connection of mobile voltage |
|  | Indication Overvoltage |  | Representation battery |
|  | Indication of undervoltage |  | Representation battery |
|  | Charge level of the battery |  | Battery charging indication |
|  | Overload indication | | |

Symbols three-phase generator

| | | | |
|---|---|--|---|
|  | Three phase synchronous generator with permanent magnet |  | Three phase synchronous generator star connection |
|  | Three phase converter |  | Three phase synchronous generator with access to each winding |
